INVITATION

The Australian and New Zealand Society of Neuroradiology (ANZSNR) welcomes your involvement by seeking sponsorship for our upcoming Annual Scientific Meeting in 2026.

The Australian and New Zealand Society of Neuroradiology (ANZSNR) welcomes your involvement by seeking sponsorship for our upcoming Annual Scientific Meeting in 2026.

The ANZSNR 2026 Annual Scientific Meeting is being held from Thursday 19th March to Saturday 21st March on the Gold Coast, Queensland. Located along the pristine beachfront of Surfers Paradise, The Langham Gold Coast provides an exceptional setting for the scientific meeting. Delegates and attendees will enjoy breathtaking ocean views and convenient access to the social events.

Our 2026 international keynote invited speakers are:

- Dr Suzie Bash, USA
- Professor Christine Glastonbury, USA
- Professor Jacques Moret, France

All global leaders in diagnostic and interventional neuroradiology.

The ANZSNR ASM will provide an important scientific update to all who attend across radiologists, trainees, medical imaging technologists, and industry partners.

As always, emphasis is placed on education and learning, and we will provide a parallel program with Diagnostic, incorporating head and neck radiology, and Interventional Neuroradiology sessions.

ANZSNR makes every endeavour to remain MTAA compliant. Sponsorship funding will be used for speakers, venue hire, programming and for offsetting compliant costs for members. ANZSNR maintains full independent management over the academic program and diligent use of sponsorship for the benefit of the delegates and invited speakers.

There will be several opportunities to meet and interact with the delegates, both during the ASM we hope you will be able to participate in the social functions on the Thursday and Saturday nights.

We welcome all potential industry partners across all facets of Diagnostic and Interventional Neuroradiology, and look forward to working with new partners.

We look forward to welcoming you to the Gold Coast for ANZSNR 2026.
