INVITATION

The Australian and New Zealand Society of Neuroradiology (ANZSNR) welcomes your involvement by seeking sponsorship for our upcoming Annual Scientific Meeting in 2023.

The Australian and New Zealand Society of Neuroradiology (ANZSNR) welcomes your involvement by seeking sponsorship for our upcoming Annual Scientific Meeting in 2023.

The ANZSNR 2023 Annual Scientific Meeting is being held from Thursday 30th March to Sunday 2nd April 2023 in Cape Schanck, Mornington Peninsula, Victoria. A short drive from the Melbourne CBD and Melbourne Airport to Cape Schanck unlocks a stunning and relaxed environment that will foster education, collaboration and creativity to explore new horizons across all facets of Neuroradiology.

Our international keynote invited speakers, Professor Howard Rowley (Neuroradiology) and Professor Alessandra Biondi (Interventional Neuroradiology) are leading authorities in their fields. Emphasis is being placed on education and learning, and we will provide a parallel track with both Diagnostic and Interventional Neuroradiology.

Our meeting will provide an important scientific update to all who attend across radiologists, trainees, medical imaging technologists, and industry partners.

ANZSNR makes every endeavour to remain MTAA compliant. Sponsorship funding will be used for speakers, venue hire, programming and for offsetting compliant costs for members. ANZSNR maintains full independent management over the academic program and diligent use of sponsorship for the benefit of the delegates and invited speakers.

There will be enjoyable opportunities to meet and interact with the delegates, and we would encourage you to attend the social functions we have planned including the Welcome Dinner on the Thursday night and the ASM Gala Dinner on the Saturday night.

We welcome all potential industry partners across all facets of Diagnostic and Interventional Neuroradiology, and look forward to working with new partners.

We look forward to welcoming you to Cape Schanck for ANZSNR 2023: New Horizons.

See you there!
